

New! CUSTOM-FIT OVER-THE-TOWER BOAT COVERS

Dual Zippered
Entry!

Custom-Fit Over-the-Tower Boat Covers are made to a specific year, make and model boat, providing a snug and contoured fit. Each cover features a dual zippered entry for easy access to the boat while covered with a special protective strip behind the zipper to protect the boat, a ¼" draw rope in them and two rope ratchets.

- Dual zippered entry on both the port and starboard side w/ protective strip behind the zipper to prevent the zipper from scratching the boat
- Heavy-duty ¼" draw-rope in the hem
- Two rope ratchets
- One tie-down kit
- Will NOT cover the swim platform
- Designed for the tower bimini top to be left open with wakeboard racks folded in
- Recommended for storage only
- **Available in:** 100% Solution-Dyed Marine Acrylic (Sunbrella®/Outdura®) and 100% Solution-Dyed Marine Polyester (Sun-DURA®)

Note: Also suitable for mooring if access is available on both sides of the boat to properly secure the cover to the boat using either suction cup tie-downs or mooring bags (sold separately). The draw-rope will exit on both the port and starboard side.
